

INDEX TO THE JOURNAL OF THE SOUTH AFRICAN INSTITUTION OF CIVIL ENGINEERING 2009 (Volume 51)

<u>Title</u>	<u>Author(s)</u>	<u>Journal/Page Numbers</u>
--------------	------------------	---------------------------------

ARTICLES

Desiccation of soil by vegetation and potential interaction with buildings – a field study	G E Blight	No 2, pp 20-29
--	------------	----------------

Keywords: desiccation; evapotranspiration; soil water balance; soil water content; vegetation

Dynamic behaviour of damaged reinforced concrete beams and application of white noise analysis to crack detection	M A Lotfollahi-Yaghin, R Shahinpar and H Ahmadi	No 2, pp 2-10
---	---	---------------

Keywords: white noise; reinforced concrete; crack detection; finite-element method; dynamic response

Experimentally applied earthquakes and associated loading on a full-scale dry-stacked masonry structure	A Elvin	No 1, pp 15-25
---	---------	----------------

Keywords: earthquake testing; filtering; full-scale testing; earthquake response spectra

Optimising structures using the principle of virtual work	A Elvin, R Wallis and D Cromberge	No 2, pp 11-19
---	-----------------------------------	----------------

Keywords: automated member selection; discrete sections

Practical implications of the relation between the clay mineral content and the Plasticity Index of dolerite road construction material	E Kleyn, A Bergh and P Botha	No 1, pp 2-5
---	------------------------------	--------------

Keywords: dolerite; smectite; X-ray diffraction; Plasticity Index; basecourse

<u>Title</u>	<u>Author(s)</u>	<u>Journal/Page Numbers</u>
--------------	------------------	-----------------------------

Public standpipe design and maintenance for rural South Africa

J Haarhoff and L Rietveld

No 1, pp 6-14

Keywords: standpipe; Venda; water supply; tap; design; maintenance

The issue of personal safety on dolomite: a probability-based evaluation with respect to single-storey residential houses

H A D Kirsten, G J Heath, I S Venter, N Y G Trollip and A C Oosthuizen

No 1, pp 26-36

Keywords: dolomite; sinkhole; coincidence; probability; residential

ADDENDUM

Experimentally applied earthquakes and associated loading on a full-scale dry-stacked masonry structure

A Elvin

No 2, p 30

Addendum to abovementioned paper published in 51(1) 2009, pp 15-25
