SATC OBJECTIVES

To provide a platform for national and international dialogue on **transport as a socio-economic development priority**

- To serve as a forum for discussion and information exchange on the implementation of **transport policy, strategy and technology applications for all aspects and modes of transportation**
- To foster better cooperation between and engagement of all public and private sector stakeholders so that solutions can be sought and action plans formulated

STATUS AND VISION

- The Minister of Transport is the Patron of the SATC
- This is the longest running transport conference in the region.
- SATC serves as a forum to debate current transport related issues.
- SATC is recognised as the premier forum for the debate of current transport issues.
- With the cooperation of the DOT SATC will continue this important role for the benefit of our country and our people.
